1 PRELIMINARY PROVISIONS

1.1 This Selective Process for temporary hiring of Visiting Professor and Foreign Visiting Professor will be governed by this Public Notice and will be carried out by the Directorate of Selective Processes (DIPS) of UNIFAL-MG.

1.2 The selection aims to fill vacancies for visiting professors and foreign visiting professors, hired with the objective of supporting the execution and improvement of teaching, research and/or extension programs, and may also contribute to scientific and technological exchange, according to the description and quantity.

1.2.1 When registering, the candidate must inform if they wish to compete for a reserved vacancy (black and/or indigenous and/or quilombola and/or person living with disabilities) and observe the criteria, guidelines and rules for filling described in Annex II. The option for the reserved vacancy is irrevocable after the end of applications, in accordance with the legislation.

1.2.2 Candidates who do not fit item 1.2.1. or do not wish to compete for a reserved vacancy should not follow the guidelines described in Annex II.

1.3 UNIFAL-MG will not be responsible for any type of travel, food and accommodation for the candidate.

1.4 UNIFAL-MG will not confirm registration for participation in the selection process by e-mail, letter, telegram or telephone, except for reasons of force majeure. All and any information will be published on the website: <https://www.unifal-mg.edu.br/dips/professor-visitante/> and/or will be made available in the registration system, in the candidate's area.

1.5 Dates of the Evaluation Process, number of vacancies and description of the area of activity are listed in item 3 VACANCY DESCRIPTION - TABLE 1 and in Annex I.

1.6 All times mentioned in this Public Notice, rectifications and complementary notices are according to the official time of Brasília-DF.

1.7 This Public Notice, its annexes, other communications and rules will be published on the website indicated in item 1.4.

2 REMUNERATION OF THE CONTRACT

2.2.1 The employment contract of the visiting professor and foreign visiting professor must be for 40 (forty) hours with Exclusive Full-Time Dedication – DE, with prohibition from exercising other remunerated public or private activity. 2.2 The remuneration of the visiting professor and foreign visiting professor will be established based on the eligibility and experience of the candidate to be hired, observing the correspondence with the remuneration ranges of the Federal Teaching Career plan as established by [Resolution of the University Council of UNIFAL-MG nº 75/2024](#), in the subcategories Senior, Intermediate, Junior and Early-Career Doctor. There will be no classification in this Public Notice for the Doctor category.

2.2.2 Under no circumstances will there be any alteration of the remuneration value and/or the subcategory framed at the time of hiring during the term of the contract. 2.2.2 UNIFAL-MG may constitute a special commission for the purpose of classification in the subcategories of visiting professor and foreign visiting professor provided for in [Resolution of the University Council of UNIFAL-MG nº 75/2024](#).

4.1.1.6.3 The low-income candidate who does not have the NIS must obtain it at the Social Service Sector of the City Hall of their city.

4.1.1.6.4 UNIFAL-MG will consult the CadÚnico Management Body to verify the veracity of the information provided by the candidate. The candidate will only have their exemption request granted if the NIS is validated by the CadÚnico Management Body.

4.1.1.6.5 The Directorate of Selective Processes - DIPS will disclose, up to 3 (three) business days before the end of applications, the result of the exemption request.

4.1.1.6.6 If the exemption request is denied, the candidate must pay the registration fee, observing the deadline stated in Table 3 of the Public Notice.

4.1.1.6.7 The candidate whose exemption request is denied and who does not pay the registration fee will have their registration denied in this selective process.

4.1.1.6.8 There will be no appeal against the result of the request for exemption from the registration fee.

4.2 If there are not enough registered candidates equal to or greater than the number of vacancies, applications will be reopened observing the schedule and the minimum eligibility/education required for hiring contained in Annex III.

4.3 The right to register will be ensured for people with special needs, in the Selective Process for the hiring of the professor, whose responsibilities are compatible with the special needs, participating in equal conditions with the other candidates, provided that the disability is compatible with the activities of the position for which they are competing and established norms.

4.4 The candidate who wishes to **compete for a vacancy reserved** for people living with disabilities, which may arise during the term of this selection process, must observe and comply, under penalty of denial, with the procedures contained in Annex II, as well as:

a) At the time of registration, in the field indicated in the UNIFAL-MG Registration System, inform the type of disability;

b) Send a copy of the opinion from a multidisciplinary team and/or doctor, issued less than 36 months from the start of applications, as a means of proving the disability condition, **exclusively via the Registration System** (available at: <https://sistemas.unifal-mg.edu.br/app/rh/inscricoes/>), Tab **"Upload" / "My Uploads" / "Documents" / "Opinion for competing for disability vacancies"**, **strictly until the end of applications**.

4.5 UNIFAL-MG will not be responsible for applications not received due to technical computer issues, communication failures, communication line congestion, as well as other technical factors that prevent data transfer.

4.6 Under no circumstances will registration via fax, postal, conditional or extemporaneous be accepted.

4.7 The list of candidates with confirmed applications will be available at <https://www.unifal-mg.edu.br/dips/professor-visitante/>, up to 02 (two) business days before the date of the selective process.

5. EVALUATION PROCESS

5.1 The selection of the Visiting Professor and Foreign Visiting Professor will be carried out by a Simplified Selection Process (SSP), consisting of a Classification Stage, Work Plan analysis and Evaluation of Academic Credentials:

Phase	Stage	Character	Value	Minimum score for classification
1ª	Classification	Eliminatory	-	-
2ª	Work Plan	Eliminatory	10,0	7,0
3ª	Evaluation of Academic Credentials	Classificatory	10,0	-

5.2 To participate in the selection process, the candidate must access the site <https://sistemas.unifal-mg.edu.br/app/rh/inscricoes>, electronically fill out the fields of the Application Form with the requested data, and submit their resume, along with supporting documents, the completed Form/Annex IV, the Work Plan, and Annex IX.

5.2.1 Candidates who fail to submit one of the following documents will be eliminated from the selection process: Work Plan, completed Form/Annex IV, resume, and at least part of the supporting documents as per item 6.

6. CLASSIFICATION STAGE

6.1 The **classification** into one of the subcategories of Visiting Professor and Foreign Visiting Professor referred to in this Public Notice shall be based on the analysis of the academic production and/or academic background and/or innovative technical-scientific eligibility presented by the candidate at the time of application. For the purpose of classification into the **Senior, Intermediate, Junior, and Early-Career Doctor** subcategories of Visiting Professor and Foreign Visiting Professor, the candidate must provide proof that they meet the minimum educational and academic Credentials requirements for the position they are applying for, as described in Annex I, through supporting documents attached to the Curriculum Vitae (CV) in the application system. Furthermore, the eligibility and professional competency requirements shall be verified by the members of the Examination Committee for the purpose of classification into the **Senior, Intermediate, Junior, and Early-Career Doctor** subcategories of Visiting Professor and Foreign Visiting Professor, as provided for in [Resolution nº 75/2024 of the University Council of UNIFAL-MG](#) (General Rules for Public Examinations and Selection Processes within DIPS). This stage is eliminatory in nature.

6.1.1 The classification into one of the subcategories of Visiting Professor and Foreign Visiting Professor shall follow the current scientific productivity evaluation criteria established by the CNPq Advisory Committee(s) for Research Productivity Scholarships indicated for the respective position.

6.1.1.1 In the event that more than one CNPq Advisory Committee is indicated for the position, the Examination Committee shall classify the candidate using the criteria of the Area that assigns the candidate to the highest possible category, in accordance with [Resolution nº 75/2024 of the University Council of UNIFAL-MG](#) (General Rules for Public Examinations and Selection Processes within DIPS).

6.2 Only candidates who meet the conditions for classification into one of the subcategories of Visiting Professor and Foreign Visiting Professor described in this Public Notice shall be considered approved. Candidates who do not meet the conditions for classification into any subcategory shall be considered failed at this stage.

6.3 The committee shall have up to five (5) business days to submit the classification result to the competent sector, which shall publish the result on its official website.

7 WORK PLAN

7.1 The Work Plan is the document that outlines, for the intended contract period, the teaching, research, and/or extension activities to be carried out and must contain at least:

I – the activities to be developed in accordance with Section 3, DESCRIPTION OF THE POSITION;

II – the capacity to provide scientific and technological exchange that may contribute to the development of the work plan and to obtaining funding from research and extension support institutions;

III – a schedule covering at least 12 months, including the goals to be achieved and the infrastructure, personnel, and funding requirements necessary for the implementation of the plan.

7.1.1 The work plan must be submitted at the time of application, in PDF format, **exclusively through the Application System** (available at: <https://sistemas.unifal-mg.edu.br/app/rh/inscricoes/>), **under the “Upload” / “My Uploads” / “Documents” tab, using the following upload designation: “Work Plan”.**

7.1.1.1 The Work Plan must be written in Portuguese (Brazilian Portuguese), although submission in English shall be permitted for candidates applying for the Foreign Visiting Professor position.

7.1.2 The scoring of the work plan shall be assigned as follows:

I – quality of the work plan, considering its potential contribution to strengthening the Graduate Program and/or Extension Programs and Projects, as well as its innovation potential, from 0 (zero) to 4 (four) points;

II – feasibility of the work plan, considering its compatibility with the infrastructure of UNIFAL-MG, the possibility of exchange with other Institutions or Research Groups, and the financial support required, from 0 (zero) to 4 (four) points;

III – impact of the work plan on improving research and university extension performance, as well as the capacity to establish connections, partnerships, and research networks with national and international institutions, and the ability to compete for/obtain funding from development agencies, from 0 (zero) to 2 (two) points;

7.1.3 The work plan must clearly explain how the candidate will contribute to the expansion of research activities in projects aligned with the Program's Research Lines (**Nursing Care Process; Management in Health Services and Education**), in collaboration with permanent faculty members. For the purpose of preparing the plan, the responsibilities of the Visiting Professor include:

I – co-supervising graduate students;

II – teaching graduate courses, whether mandatory or elective;

III – contributing to the production of scientific articles in high-impact journals, in co-authorship with students and faculty members of the Program;

IV – collaborating in the organization of scientific events;

V – developing innovation, extension, and internationalization initiatives;

VI – facilitating the Program's participation in scientific and technological exchanges and in national and international research networks;

VII – contributing to the preparation of research projects aimed at securing funding from national and/or international funding agencies;

VIII – collaborating in the academic management of the Program, participating in discussions with the Program Committee regarding the four-year strategic planning process, as well as assisting in annual and four-year evaluations conducted by CAPES.

7.2 The candidate who obtains a score lower than 7 (seven) in the work plan will be considered not approved.

8 EVALUATION OF ACADEMIC CREDENTIALS

8.1 The Evaluation of Academic Credentials will be classificatory.

8.1.1 The submission of the curriculum, with its respective supporting documents, the completed form/annex IV and the Work Plan must be done **EXCLUSIVELY via the registration system**, in the upload tab, both in **pdf format**, and may be condensed in .zip format.

8.1.2 The candidate may include/exclude the files referred to in sub-item 7.1.1 until the end of the registration period.

8.1.3 All supporting documents must be arranged strictly in the order presented in the table of Annex IV of this Public Notice.

8.1.4 The Evaluation of Academic Credentials will be carried out in a non-public session and will consist of the analysis of the score of the candidate's Curriculum Vitae (CV) or Lattes (CV) by the Examining Board, in the format of the items contained in Annex IV, accompanied by the corresponding duly numbered documents.

8.1.5 It will be carried out in the last phase of the selection process and only the titles of the candidates approved in the last eliminatory evaluation will be evaluated.

8.1.6 The candidate must send, with the *curriculum*, Annex IV completed and signed, indicating the intended score for each item.

8.1.7 Annex IV (Form for Evaluation of Academic Credentials) is available in this Public Notice and at the address: <https://www.unifal-mg.edu.br/dips/formularios/> for download.

8.1.8 The *Curriculum* and the completed forms/annexes must be sent in PDF files, exclusively via the **Registration System** (available at: <https://sistemas.unifal-mg.edu.br/app/rh/inscricoes/>), **Tab "Upload" / "My Uploads" / "Documents" / with the following denominations for UPLOAD:**

PDF 1: Curriculum Vitae (CV) or Lattes (CV);

PDF 2: Dimension I - Curriculum Form and Documents of Academic Training Activities;

PDF 3: Dimension II - Curriculum Form and Documents of Teaching Activities;

PDF 4: Dimension III - Curriculum Form and Documents of Research Activities;

PDF 5: Dimension IV - Curriculum Form and Documents of Extension Activities;

PDF 6: Dimension V - Curriculum Form and Documents of Academic Management Activities;

PDF 7: Dimension VI - Curriculum Form and Documents of Professional Experience Activities.

8.1.9 The documents in the item above must be sent **strictly until the end of applications**.

8.2 The candidate who does not send the Curriculum with at least one supporting document, or sends it after the established deadline, will be eliminated from the selection process, being prevented from participating in the stages of the Selective Process.

8.2.1 Furthermore, the candidate who does not present a score in Research Activities when the vacancy is specific for a Research Visiting Professor linked to Postgraduate Programs will be eliminated from the selection process.

8.3 To prove the titles, the candidate must observe the guidelines contained in Annex IV.

8.4 Authentication of supporting documents in a notary's office is not necessary.

8.5 For the purpose of scoring the title(s), the Area of the selective process will be considered as per Table 1 of the Public Notice.

8.6 There will be an extension of 2 (two) years in the period of academic production analysis for female candidates who are biological or adoptive mothers, as well as for male candidates who are single adoptive fathers and homoaffective fathers, who have children up to 2 (two) years of age at the time of registration in the Selective Process. In the case of homoaffective female and male candidates who are mothers or fathers, only 1 (one) member

of the couple may benefit from this condition. To prove maternity or paternity, the birth certificate(s) of the child(ren) up to 2 (two) years of age must be included, along with the other curriculum documents.

8.7 In the Evaluation of Academic Credentials process, the candidate with the highest score will be assigned a final score of 10. The scores of the other candidates will be determined proportionally based on the score they achieve in relation to the candidate with the highest score, using the following formula:

$$Score_i = \frac{PT_i}{PT_{max}} \times 10$$

Where:

$Score_i$ is the score of candidate i ;

PT_{max} is the highest score among all candidates.

PT_i is the candidate's score.

8.8. Candidates who obtain the minimum score of 7 (seven) in each of the eliminatory evaluations and are classified in the Evaluation of Academic Credentials, provided they have the minimum score in the Evaluation of Academic Credentials for each specific vacancy, will be considered approved. The candidate who does not obtain the minimum score specified in Annex I will be considered disqualified.

8.9 The examining board will have a period of up to 3 (three) business days to submit the scores of the Evaluation of Academic Credentials and work plan analysis, through the Scoring System, to the competent Sector, which will disclose the result on its electronic website.

9 FINAL CLASSIFICATION

9.1 The Final Classification of approved candidates in the three stages will be in descending order of the sum of the scores obtained in the Evaluation of Academic Credentials and the Work Plan.

9.1.1 In case of a tie in the classification of approved candidates, the tie-breaking will be done by applying the following criteria present in Law nº 10.741, of October 1, 2003.

9.1.2 If the tie persists, the tie-breaking will be done by applying the following criteria, with the order of preference for the candidate:

I - who has the highest score in the Evaluation of Academic Credentials;

II - who presents the highest score in activities related to Research Activities (as provided for in [Resolution nº 75/2024 of the University Council of UNIFAL-MG](#));

III who presents the highest score in activities related to Extension (as provided for in [Resolution nº 75/2024 of the University Council of UNIFAL-MG](#));

IV – who presents the highest score in activities related to academic training (as provided for in [Resolution nº 75/2024 of the University Council of UNIFAL-MG](#)).

9.2 The Final Classification of the selection process will be published within up to 3 (three) business days after the end of the evaluations, on the UNIFAL-MG electronic website.

10 RATIFICATION

10.1 Candidates who are framed in one of the subcategories of visiting professor and foreign visiting professor provided for in this Public Notice, as provided for in [Resolution nº 75/2024 of the University Council of UNIFAL-MG](#), and who achieve the minimum score stipulated in the T Evaluation of Academic Credentials and a minimum score of 7 (seven) in the Work Plan, will be considered qualified in the Selective Process for Visiting Professor and Foreign Visiting Professor.

10.2 Approved candidates will be classified in descending order of the sum of the scores obtained in the phases of this selection process.

11 FINAL RESULT

11.1. The final result of the selection process, referring to each vacancy described in Table 1, will be published on the UNIFAL-MG electronic website, in accordance with current legislation.

11.2 Approved candidates in the Final Result of the selection process will compose the Lists of Broad Competition, of Black, Indigenous and Quilombola People and of People living with Disabilities along with the other classified candidates of the vacancies of the General Public Notice to which this selection process is linked (001/2026) and will be called according to [Resolution of the University Council of UNIFAL-MG nº 60/2025](#) and items 2.18 e 2.37 of the General Public Notice.

11.3 After the disclosure of the Final Result of this Opening Public Notice, 03 (three) lists of approved candidates will be approved by the University Council of UNIFAL-MG, grouping all vacancies of the General Public Notice Nº 001/2026, according to the competition modalities – Broad Competition List (LAC), Reserved Vacancies List for Self-Declared Black, Indigenous and Quilombola People (LPN) and Reserved Vacancies List for People living with Disabilities (LPD) for the total number of vacancies offered in this General Public Notice.

11.4 All approved and classified candidates in their respective Opening Public Notice will be reclassified in the Broad Competition List (LAC) and/or in the Reserved Vacancies List for Self-Declared Black, Indigenous and Quilombola People (LPN) and/or in the Reserved Vacancies List for People living with Disabilities (LPD), grouping all vacancies according to the chosen competition modalities and approved the complementary heteroidentification (PN) and biopsychosocial evaluation (PCD) procedures.

11.5 For the reclassification provided for in the previous item, the arithmetic mean of the final scores will be considered, prepared with a view to ensuring that the number of reserved vacancies provided for by Law is met.

12 EXAMINING BOARD

12.1 The selection process will be judged by an examining board composed of 3 (three) professors as full members and 1 (one) alternate.

12.2 The members of the Examining Board will be chosen from professors or former professors of higher education from the Institution, from the Grand Area, or Area, or Subarea, or Specialty of the Selective Process or related area, with a eligibility equal to or higher than that of the Selective Process.

11.2.1 No member of the examining board may have a degree of kinship up to the third degree; be a stepchild; spouse or partner; be or have been a partner with direct commercial interests; be or have been a supervisor/supervisee of the candidate; have a technical-scientific publication in co-authorship in the last 10 (ten) years with the candidates.

12.3 The examining board will be disclosed on the website <https://www.unifal-mg.edu.br/dips/professor-visitante/>, up to 3 (three) days before the start of the evaluation process.

12.4 The examining board has the final authority in assessing the academic content aspects and the pedagogical dimension pertinent to the selection process.

12.5 The responsibilities of the examining board are listed in Annex V.

13 APPEALS TO THE PUBLIC NOTICE AND THE EXAMINING BOARD

13.1 Appeal may be filed against the Public Notice and/or the Examining Board.

13.1.1 The deadline for challenging the Public Notice will be up to 02 (two) business days, counted from the start of applicatons.

13.1.2 The deadline for challenging the Examining Board will be on the first business day after its disclosure.

13.1.2.1 The request to appeal the Examining Board will be analyzed by the Academic Unit, within up to 02 (two) business days.

ANNEX II

SPECIAL CONDITIONS FOR CARRYING OUT THE EXAMS AND VACANCIES RESERVED FOR PEOPLE LIVING WITH DISABILITIES, BLACK, INDIGENOUS AND/OR QUILOMBOLA PEOPLE.

1. VACANCIES RESERVED FOR CANDIDATES LIVING WITH DISABILITIES AND SPECIAL CONDITIONS FOR CARRYING OUT THE EXAMS

1.1. Of the vacancies reserved for the same position and the same disciplines of this call for applications and those that may be created during the validity period of the tender, 5% (five percent) will be filled in accordance with § 2 of article 5 of Law nº 8.112, of December 11, 1990 and Decree nº 9.508/2018.

1.1.1. If the application of the percentage referred to in sub-item 1.1 of this Annex II results in a fractional number, it must be rounded up to the first subsequent integer, provided that it does not exceed 20% of the vacancies offered per position, under the terms of § 2 of Art. 5º of Law nº 8.112/1990.

1.1.2. Once the option for one of the vacancies reserved for disabled people is declared at the time of registration, no subsequent alteration will

be admitted.

1.2. Those who express interest in competing for this(these) vacancy(ies) at the time of registration in the public tender may compete for the vacancy(ies) reserved for PWD, provided that the following is observed: People with disabilities are considered to be those who fall into the categories described in Art. 4º of Decree n.º 3.298/1999, with the changes introduced by Decree n.º 5.296/2004, in § 1º of Art. 1º of Law n.º 12.764/2012 (autism spectrum disorder), in Law n.º 14.126/2021 (monocular vision), Law n.º 15.176/2025 (Fibromyalgia Syndrome or Chronic Fatigue or Complex Regional Pain Syndrome or other related diseases) observing the provisions of Art. 2º of Law 13.146/2015.

1.3. The candidate with a disability may request at the time of registration, in the manner established in item 4.4 of this call for applications, **special assistance** for carrying out the exams, indicating the assistive technologies and/or specific conditions they need to carry them out, as per sub-item 1.3.1 of this Annex. To do so, they must observe and comply, obligatorily, with sub-items 4.4 and 4.5 of this call for applications, sending at the time of registration, **exclusively via the Registration System, a report/opinion** issued by a multidisciplinary team or medical specialist in the area of their disability (of the impediments presented), which attests to the special need, as provided for in art. 4, §§ 1 and 2, of Decree nº 9.508/2018. The documentation characterizing the disability must have been issued within the last thirty-six months counted from the date of publication of the Public Notice, except in the case of candidates whose disability falls under Art. 1º, § 1º, of Law nº 12.764, of December 27, 2012, or candidates with other irreversible impediments that characterize permanent disability. It must expressly state whether or not there is a disability condition, stamp or authenticity and medical registration in the CRM.

1.3.1 Access to the following assistive technologies will be ensured for carrying out the exams, with regard to their adaptation, without prejudice to reasonable adaptations that may be necessary and subject to the analysis of the feasibility and reasonableness of the request:

I - for candidates with visual impairment:

- a) exam printed in braille;
- b) pr exam printed in enlarged characters, with indication of font size;
- c) exam recorded in audio by a reading invigilator, with fluent reading;
- d) exam in digital format for use of a computer with screen reading or screen magnification software;
- e) designation of an invigilator to assist in transcribing the answers;

II - for candidates with hearing impairment:

- a) exam recorded on video by a Brazilian Sign Language - Libras interpreter invigilator;
- b) authorization for the use of a hearing aid, subject to inspection and approval by the competition Coordination, in order to guarantee the integrity of the selection process;

III - for candidates with physical disabilities:

- a) adapted furniture and adequate spaces for carrying out the exam;
- b) designation of an invigilator to assist in handling the exam and transcribing the answers;
- c) easy access to the exam rooms and other collective use facilities at the place where the selection process will be held.

1.3.2. UNIFAL-MG reserves the right to submit requests for special conditions for carrying out the exams to the multidisciplinary team, designated for this purpose, as per sub-item 1.7 of this Annex II.

1.4. Notwithstanding the special provisions contained in this call for applications, candidates with disabilities will participate in the competition under equal conditions with other candidates, with regard to the content of the exams, evaluation/correction and approval criteria, time and place of application of the exams, the minimum score required for other candidates, and all other governing rules of the competition.

1.4.1. Candidates with disabilities will compete concurrently for vacancies reserved for black people, if they meet this condition, and for vacancies destined for broad competition, according to their classification in the competition.

1.5. The candidate with a disability who does not send a copy of the opinion/report from a multidisciplinary team and/or doctor, under the terms established in item "b" of item 4.4 of this Call for Applications, as a means of proving the disability condition, will be automatically eliminated from the modality of vacancy eventually reserved for people with disabilities.

1.5.1. The candidate with a disability who does not register according to the instructions contained in this call for applications will not be able to file an appeal in favor of their situation.

1.6. Candidates who, at the time of application, declare themselves as persons with disabilities and choose to compete for vacancies reserved for persons with disabilities shall, if approved in the public selection process, appear on the general ranking list together with the other candidates for the same position, with their respective scores and rankings, in compliance with the reservation of vacancies established under Decree 9.508/2018.

1.7. Prior to the approval of the Final Result of the public selection process, the disability status of the approved candidate shall be confirmed through a medical assessment. For this purpose, candidates classified as persons with disabilities shall be summoned to appear before a multidisciplinary committee, pursuant to Decree nº 9.508/2018, composed of three (3) qualified professionals working in the areas related to the candidate's disability, including at least one physician, as well as three (3) professionals from the career area for which the candidate is applying. The committee shall determine whether the candidate qualifies as a person with a disability for the purposes of reserved vacancies and whether the disability is compatible with the duties of the position. The candidate's presence is mandatory.

1.7.1. The summons for the medical assessment shall be published on the selection process website, indicating the probable location, date, and time of the assessment.

1.8. The evaluation of aspects related to the work capacity of candidates with disabilities shall comply with Decree nº 3.298/99 and its amendments.

1.9. The multidisciplinary committee shall issue a conclusive report, taking into consideration the information provided by the candidate at the time of application, the provisions of the sole paragraph of Art. 5º of Decree 9.508/2018, the nature of the duties and essential tasks of the position, the feasibility of accessibility conditions and workplace environment, the possibility of the candidate's use of assistive devices or customary aids, and the evaluation result based on §1 of Art. 2 of Law nº 13.146/2015, as well as the International Classification of Diseases (ICD) documentation presented.

1.10. The final decision issued by the multidisciplinary committee regarding the medical assessment shall be final and binding and shall be published on the selection process website.

1.10.1. Exceptionally, if the medical assessment concludes that the disability does not fall within the categories referred to in item 1.2 of this Annex II, or that the identified disability is incompatible with the duties of the position (unfitness), the candidate may request a new medical assessment within two (2) business days from the publication date of the final decision of the multidisciplinary committee. The reassessment shall be conducted

by the Official Medical Board of UNIFAL-MG, whose decision regarding the candidate's qualification as a person with a disability and the degree of disability shall be final.

1.10.2. The Official Medical Board shall issue its conclusion within up to five (5) business days from the date of the reassessment, and no appeal shall be permitted.

1.10.3 If the disability is not confirmed, including in cases of absence from the medical assessment, the candidate shall compete under the broad competition category, provided that their final score qualifies them for such classification.

1.11. Failure to comply with items 1.7 through 1.10.3 of this Annex II, failure in the medical assessment, or absence from the assessment shall result in the loss of the right to compete for reserved vacancies for persons with disabilities.

1.12. Reserved vacancies not filled due to lack of eligible candidates with disabilities, failure in the selection process, or failure in the medical assessment shall revert to the broad competition category and shall be filled by the remaining approved candidates in strict order of ranking.

1.13. Failure by the candidate to comply with any provision of this Call for Applications shall result in the loss of the right to appointment to vacancies reserved for persons living with disabilities.

1.14. The report issued by the multidisciplinary committee and/or the medical report shall be valid exclusively for this public selection process and shall not be considered for any other selection procedures unless resubmitted by the candidate in accordance with the deadlines and procedures established in the respective Public Notice.

1.15. After appointment, the disability may not be invoked as justification for retirement benefits.

2. VACANCIES RESERVED FOR BLACK CANDIDATES

2.1. Twenty percent (20%) of the vacancies for the same position and disciplines covered by this Call for Applications, as well as those created during the validity period of the public selection process, shall be reserved for Black candidates in accordance with Law nº 12.990, of July 9, 2014.

2.2. If the application of the percentage referred to in item 2.1 results in a fractional number, it shall be rounded up to the next whole number when the fraction is equal to or greater than 0.5, or rounded down when the fraction is less than 0.5, pursuant to §2 of Art. 1 of Law nº 12.990/2014.

2.3. To compete for reserved vacancies, candidates must, at the time of application, choose to apply under the reserved-vacancy system for Black candidates by completing a self-declaration identifying themselves as Black or Brown, according to the race/color classification adopted by the Brazilian Institute of Geography and Statistics (IBGE).

2.3.1. At the time of application, candidates must inform, in the fields indicated in the UNIFAL-MG Application System, any special accommodations required for the examinations;

2.3.2. Candidates may withdraw from the reserved-vacancy system for Black candidates and change their application to the broad competition category until the end of the application period.

2.4. The information provided at the time of application is the sole responsibility of the candidate, who shall be held liable for any false statements.

2.5. If a false declaration is identified, the candidate shall be eliminated from the public selection process and, if already appointed, shall be subject to annulment of their appointment following administrative proceedings guaranteeing due process and full defense rights, without prejudice to other applicable sanctions.

2.6. Black candidates shall compete simultaneously for vacancies reserved for persons with disabilities, if eligible, and for broad competition vacancies, according to their ranking in the selection process.

2.7. Black candidates approved within the number of broad competition vacancies shall not occupy reserved vacancies for Black candidates.

2.8. In the event that a Black candidate approved for a reserved vacancy withdraws, the vacancy shall be filled by the next-ranked Black candidate.

2.8.1. If there are insufficient approved Black candidates to fill the reserved vacancies, the remaining vacancies shall revert to broad competition and shall be filled according to the order of classification.

2.9. The appointment of approved candidates shall observe the criteria of alternation and proportionality, considering the ratio between the total number of vacancies and the number of vacancies reserved for persons with disabilities and Black candidates.

2.10. Candidates who, at the time of application, self-declare as Black or Brown and are approved in the public selection process shall appear both on the specific list for Black candidates and on the broad competition ranking list for the position to which they applied, provided that their self-declared status is confirmed by the University Verification Committee.

2.10.1. The candidate's self-declaration shall enjoy a presumption of relative truthfulness.

2.10.2. Prior to the approval of the final result of the public selection process, and without prejudice to item 2.10.1, the candidate's self-declaration shall be confirmed through a heteroidentification procedure. For this purpose, self-declared Black candidates shall be summoned to appear before a Verification Committee, which shall have deliberative authority to assess the candidate's declaration exclusively based on **phenotypic** criteria. The candidate's presence is mandatory. The committee shall be constituted by UNIFAL-MG in accordance with the sole paragraph of Art. 2 of Law n.º 12.990/2014, as well as [Normative Instruction MGI/MIR/MPI nº 261/2025](#) and [Resolution nº 74/2024 of the University Council of UNIFAL-MG](#).

2.10.2.1. The Verification Committee shall deliberate by majority vote and issue a reasoned opinion. The contents of such opinion shall have restricted access pursuant to Art. 31 of Law nº 12.527, of November 18, 2011.

2.10.2.2. The deliberations of the Verification Committee shall be valid exclusively for this public selection process and may not be used for any other purpose.

2.10.2.3. The candidate's phenotypic characteristics at the time of the heteroidentification procedure shall be considered.

2.10.2.4. For the purposes of item 2.10.2, no previous records or documents shall be considered, including photographs, certificates, or confirmations from heteroidentification procedures conducted in federal, state, district, or municipal selection processes.

2.10.2.5. Candidates who choose to compete for vacancies reserved for Black candidates, even if they achieve sufficient scores for approval under the broad competition category, and who meet the eligibility requirements established in this Call for Applications, must undergo the heteroidentification procedure.

2.10.2.6. The summons for the heteroidentification procedure shall be published on the selection process website at: <https://www.unifal-mg.edu.br/dips/professor-do-magisterio-superior>.

2.10.2.7. Candidates who fail to appear for the heteroidentification procedure shall be eliminated from the public selection process, and no supplementary summons shall be issued for non-qualified candidates.

- 2.10.3. Self-declared Black candidates who are approved and summoned must appear in person and submit to the Verification Committee, at the time of the heteroidentification interview, the declaration available at <https://www.unifal-mg.edu.br/dips/professor-do-magisterio-superior>, according to the vacancy category for which they applied, duly printed and signed.
- 2.10.4. At least three (3) times the number of vacancies reserved for Black candidates provided for in this Call for Applications, or ten (10) candidates, whichever is greater, shall be summoned for the heteroidentification procedure, provided that the approval conditions established in this Public Notice are met.
- 2.10.5. Candidates qualified within the number established in item 2.10.4 shall be summoned to participate in the heteroidentification procedure, with indication of the probable location, date, and time.
- 2.10.6. The decision of the Verification Committee, valid exclusively for this public selection process, shall be published at: <https://www.unifal-mg.edu.br/dips/professor-do-magisterio-superior>.
- 2.10.7. Administrative appeals against the decision of the Verification Committee may be filed within up to two (2) business days after publication of the result and shall be addressed to the Appeals Committee, pursuant to this Annex II.
- 2.10.7.1. In rendering its decisions, the Appeals Committee shall consider the audio and video recording of the heteroidentification procedure, the opinion issued by the Verification Committee, and the content of the appeal submitted by the candidate.
- 2.10.7.2. Appeals against the decision of the Verification Committee must be addressed to the Appeals Committee and submitted to the Directorate of Selective Processes (DIPS), **exclusively through the Application System** (available at: under the "Upload" / "My Uploads" / "Documents" / "Appeal against Heteroidentification Result" tab. The appeal must include the identification "Appeal – Public Notice No. ____", the candidate's name, address, e-mail address, registration number, position title, signature, and the grounds for appeal..
- 2.10.8. Appeals submitted by postal mail, fax, e-mail, or outside the established deadline shall not be accepted, even in cases of force majeure.
- 2.10.9. No further appeal shall be permitted against decisions issued by the Appeals Committee.
- 2.10.10. The final result of the heteroidentification procedure, issued by the Appeals Committee and valid exclusively for this public selection process, shall be published at: <https://www.unifal-mg.edu.br/dips/professor-do-magisterio-superior>.
- 2.11. The heteroidentification procedure referred to in item 2.10.2, expected to last between five (5) and ten (10) minutes, shall address matters related to the candidate's phenotype.
- 2.11.1. The heteroidentification procedure shall be audio and video recorded by UNIFAL-MG for future use in the assessment of appeals submitted by candidates whose self-declarations are rejected. The recordings shall be stored by the Institution for six (6) years, in accordance with current legislation.
- 2.11.2. Candidates who refuse to be recorded during the heteroidentification procedure, pursuant to item 2.11.1, shall be eliminated from this public selection process, and no supplementary summons shall be issued for non-qualified candidates.
- 2.11.3. Audio and/or video recording of the interview by any other person present during the procedure is prohibited.
- 2.11.4. Candidates may request access to the recording. A date, time, and location shall be scheduled in advance so that the candidate, accompanied by a UNIFAL-MG staff member, may view the interview. To do so, the candidate must submit a request to DIPS through the campus Records Office.
- 2.12. The Verification Committee for self-declarations shall adopt the following criteria:
- 2.12.1. Only Black phenotypic characteristics shall be considered for purposes of analysis and validation, excluding considerations related to ancestry.
- 2.12.1.1. Phenotype shall mean the set of physical characteristics of the individual, predominantly skin color, hair texture, and facial features, whether combined or not, which may validate or invalidate the self-declaration.
- 2.12.1.2. Additional verification criteria and regulations may also be published at: <https://www.unifal-mg.edu.br/dips/professor-do-magisterio-superior>.
- 2.13. Candidates shall not be considered eligible under the category of Black or Brown persons if they fall under at least one of the following situations:
- Failure to submit the declaration in the form established in item 2.10.3;
 - Failure to attend the interview conducted by the Verification Committee established by UNIFAL-MG;
 - Failure of the Verification Committee to confirm the self-declaration through the heteroidentification procedure.
- 2.14. If the self-declaration is denied in the heteroidentification procedure, the candidate may continue participating in the public selection process under the broad competition category, provided that they achieved sufficient scores in each previous stage to proceed.
- 2.15. In the event of evidence or allegations of fraud or bad faith in the heteroidentification procedure, the matter shall be forwarded to the competent authorities for appropriate measures.
- 2.15.1. If fraud or bad faith in the heteroidentification procedure is confirmed by the competent authorities, while ensuring due process and full defense rights:
- if the selection process is still ongoing, the candidate shall be eliminated;
 - if the candidate has already been appointed, their appointment to the public service position shall be annulled, without prejudice to other applicable sanctions.
- 2.16. Pursuant to the sole paragraph of Article 2 of Law n.º 12.990/2014, candidates who submit false declarations shall be eliminated from the public selection process, without prejudice to other applicable sanctions.
- 2.17. In the event of denial of a candidate's self-declaration due to non-confirmation, no supplementary summons shall be issued for candidates who were not initially called to the heteroidentification procedure.

3. SPECIAL CONDITIONS FOR BREASTFEEDING CANDIDATES

- 3.1. Candidate mothers shall be guaranteed the right to breastfeed their child up to six (6) months of age (completed by the examination date) during the administration of the examinations. To exercise this right, breastfeeding candidates must request special accommodation at the time of application by completing the application form in the specific field "need for special accommodations during examinations," pursuant to [Law Nº 13.872/2019](#).

- 3.1.2. Breastfeeding candidates must bring an adult companion on the examination day and submit, at least thirty (30) minutes before the start of the examination, the child's birth certificate as proof of age and maternity, the companion's identification document, and a signed declaration stating that the adult companion is responsible for caring for the child during the examination period.
- 3.2. Breastfeeding candidates shall take the examinations in a regular examination room together with the other candidates and shall not be allowed to enter the examination room accompanied by the infant. The companion of the breastfeeding candidate shall also be prohibited from entering the examination rooms.
- 3.3. Breastfeeding candidates shall be entitled to breastfeed every two (2) hours for up to thirty (30) minutes per child.
- 3.3.1. During the breastfeeding period, the mother shall be accompanied by an examination proctor or a member of the Examining Board.
- 3.3.2. The time spent breastfeeding shall be compensated with additional examination time of equal duration.
- 3.4. DIPS shall not provide childcare companions. Candidates who arrive with a child but without a companion shall be denied access to the examination site.
- 3.4.1. Considering the diversity of family structures, in cases where the infant may have younger siblings and the family has no one available to care for them, and upon express request by the candidate, UNIFAL-MG may allow the responsible adult, the infant, and siblings up to six (6) years of age to use the Children's Playroom.
- 3.4.2. Access to the Children's Playroom shall be subject to analysis of feasibility, space availability, and reasonableness of the request. The candidate shall be informed by e-mail using the address registered at the time of application.
- 3.5. The companion of the breastfeeding candidate must comply with the obligations established in this Call for Applications, under penalty of elimination of the breastfeeding candidate from the public selection process.
- 3.6. Any communication between the breastfeeding candidate and the responsible companion during the examinations must be supervised by a member of the Examining Board or by examination staff.
- 3.7. Candidates requesting special accommodations shall receive the response to their request through the Application System.
- 3.8. Approval of the special accommodations requested by the candidate for taking the examinations shall be subject to analysis of feasibility and reasonableness, and the candidate shall be informed by e-mail using the address registered at the time of application.
- 3.9. If any emergency situation arises after the application has been submitted, the candidate must immediately notify DIPS by e-mail at: dips@unifal-mg.edu.br.

4. VACANCIES RESERVED FOR INDIGENOUS AND QUILOMBOLA CANDIDATES

4.1. Individuals who self-declare as Indigenous and/or Quilombola shall be guaranteed the right to compete for the vacancies reserved under [Law nº 15.142/2025](#) (which reserves 30% of the vacancies offered in public selection processes). Candidates must monitor the Public Notice website for supplementary publications regarding verification of self-declaration, in accordance with §1 of Article 1 of the aforementioned law, which establishes that an act of the Executive Branch shall regulate the vacancies reserved for Indigenous and Quilombola candidates.

4.1.1 Pursuant to [Decree nº 12.536/2025](#), the documentary verification procedure complementary to the self-declaration of Indigenous candidates shall be carried out through analysis of documentation proving the candidate's ethnic belonging, by presentation of:

- I - a civil identification document issued by a public authority recognized under applicable law, indicating ethnic belonging;
- II - a document issued by an Indigenous community, institution, or representative organization of the Indigenous people or group recognizing the candidate's ethnic belonging, signed by at least three Indigenous members of the respective ethnic group;
- III - other documents capable of confirming the candidate's ethnic belonging, as established in the Call for Applications, such as:
 - a) proof of residence in Indigenous communities;
 - b) documents issued by Indigenous schools;
 - c) documents issued by Indigenous health agencies;
 - d) documents issued by the National Foundation for Indigenous Peoples (FUNAI) or by the Ministry of Indigenous Peoples;
 - e) documents issued by social assistance agencies;
 - f) documents included in the Federal Government's Single Registry for Social Programs (CadÚnico), established by Art. 6º-F of Law nº 8.742, December 7, 1993;
 - g) social security-related documents.

4.1.2 Pursuant to [Decree nº 12.536/2025](#), the documentary verification procedure complementary to the self-declaration of Quilombola candidates shall be carried out through analysis of documentation proving the candidate's ethnic belonging, by presentation of:

I - a declaration certifying the candidate's ethnic belonging, signed by three leaders associated with the community association, pursuant to Art. 17, sole paragraph, of Decree nº 4.887, November 20, 2003;

II - certification issued by the Palmares Cultural Foundation recognizing the community to which the candidate belongs as a Quilombola community.

4.1.3 The documents referred to in this section must be submitted exclusively through the **Application System** (available at: <https://sistemas.unifal-mg.edu.br/app/rh/inscricoes/>), no later than the end of the application period. Candidates must also present the original report/document to the examination staff on the day of the first examination for verification purposes.

ANNEX V

RESPONSIBILITIES OF THE EXAMINING BOARD

- After the names of the members of the Examining Board have been defined by the Academic Unit, the members must sign the commitment term as provided for in [Resolution nº 75/2024 of the University Council of UNIFAL-MG](#).
- The professor designated as Chair of the Examining Board shall, whenever requested, appear at DIPS to collect administrative materials to assist in conducting the examinations.
- At each stage of the selection process, the Examining Board shall prepare a report describing all activities carried out, in which information related to each stage of the process shall be recorded clearly and objectively, especially any events considered outside normal circumstances. All reports must be signed by the members of the Board.
- In an appropriate and secure location, evaluate the candidates' performance in the examinations according to the criteria established in the corresponding annexes of this Public Notice.
- Submit the scores for each stage of the selection process to the Directorate of Selective Processes (DIPS) through the Electronic Information System.
- At the end of the selection process, the following documents must be submitted through the Electronic Information System:
 - Curricula accompanied by the evaluation reports of the Curriculum Evaluation;
 - Work plans accompanied by the evaluation reports of the Work Plan;
 - The classification result into one of the subcategories of Visiting Professor and Foreign Visiting Professor, as provided for in [Resolution nº 75/2024 of the University Council of UNIFAL-MG](#);
 - The Final Ranking, signed by the members of the Examining Board;
 - The Final Result, signed by the members of the Examining Board;
 - The Final Report of the selection process, to be completed in the grading system and/or in the document made available by DIPS, containing records of events that occurred during the examinations, alternation of Board members, and other information related to the different evaluation methods, including candidates' names, registration numbers, scores, and respective rankings. The report must be signed by the Board members and submitted to the Directorate of Selective Processes (DIPS), together with the conclusive opinion, all through the Electronic Information System and duly authenticated within the system.
- The Examining Board shall have up to three (3) business days to submit the scores for each examination to DIPS through the Electronic Information System. DIPS shall publish the result on its notice board and official website.
- The Examining Board must electronically sign the Final Ranking, Final Result, and Final Report. If the principal member is unable to sign, the alternate member shall assume the responsibilities as Board member.

ANNEX VI

PROCEDURES, CONDITIONS, AND DEADLINES FOR REQUESTING ACCESS TO EXAMINATION RECORDS

1. A DIPS may provide candidates with their evaluation reports regarding the Classification Stage, Work Plan, and/or Curriculum Evaluation, provided that the request is submitted within up to 24 hours after publication of the result of each examination, either by e-mail dips@unifal-mg.edu.br or through the Records Office of the respective UNIFAL-MG campus referred to in item 3.1 of Annex VII of this Call for Applications, addressed to DIPS..
2. Candidates shall not be permitted to access the content or individual scores of other candidates. Access shall be granted only to documents containing public and general information and consolidated results.
3. Access to additional information shall be limited to the provision of digital copies of documents prepared by the candidate. At this stage, no opportunity shall be provided for comments, rebuttals, arguments, or requests for reconsideration before the Examining Board.

ANNEX VII

PROCEDURES, CONDITIONS, AND DEADLINES FOR FILING AND REVIEWING APPEALS

1. Candidates intending to file an appeal must observe the procedures, deadlines, dates, and times established for document submission.
 - 1.1 Failure to comply with this item shall result in the candidate's disqualification and elimination from the selection process.
2. If an appeal filed by a candidate who failed at any stage is granted and results in approval, the candidate's participation in the subsequent stage shall occur on a new date, time, and location to be announced.
3. Candidates may file appeals against the result of each examination and against the final ranking on the first business day following publication of the result, from 8:00 a.m. to 5:00 p.m., through the Application System. The appeal must contain, either in its body or in an attached file, the Appeal Petition. Candidates are responsible for ensuring the legibility and receipt of the document.
 - 3.1 Appeals must be submitted through the Application System, under the upload tab, duly signed by the candidate, scanned, and sent in **PDF format**.
4. DIPS shall forward the appellant's arguments to the Examining Board or Organizing Committee for analysis within up to two (2) business days. After receiving the opinion of the Examining Board or Organizing Committee, the Rector shall issue a decision within up to five (5) business days.
5. Appeals containing arguments related to challenges against the Call for Applications, the Examining Board, or stages of the selection process for which the appeal period has expired shall not be reviewed, either partially or fully.
6. No appeal against an appeal decision shall be permitted.
7. No appeal shall be permitted against the Final Result.

ANNEX VIII

ONSENT FOR THE PROCESSING OF PERSONAL DATA

This document aims to record the free, informed, and unequivocal manifestation by which the Data Subject, or their Legal Representative, upon registering for this selection process, **agrees** to the processing of their personal data for a specific purpose, in accordance with Law nº 13.709/2018 – the Brazilian General Data Protection Law (LGPD).

By accepting this term, the Data Subject, or their Legal Representative, consents and agrees that the Universidade Federal de Alfenas (UNIFAL-MG), headquartered at Rua Gabriel Monteiro da Silva, 700, Centro, Alfenas-MG, hereinafter referred to as the Controller, may make decisions regarding the processing of their personal data, as well as carry out operations involving collection, production, reception, classification, use, access, reproduction, transmission, distribution, processing, filing, storage, deletion, evaluation or control of information, modification, communication, transfer, dissemination, or extraction.

Personal Data

The Controller is authorized to make decisions regarding the processing and to process personal data provided during enrollment and any subsequent updates, including usernames and passwords for access to the Controller's services, as well as the image/voice of the Data Subject in academic contexts and verbal and written communications maintained between the Data Subject and the Controller.

Purposes of Data Processing

The processing of personal data shall have the following purposes: enabling the Controller to disclose data in lists, results, verifications, and document assessments throughout the process; ensuring identification of and communication with the Data Subject for professional and academic purposes; conducting studies by research bodies, with anonymization of sensitive personal data whenever possible; compliance with legal or regulatory obligations by the Controller.

Data Sharing

The Controller is authorized to share the personal data of the Data Subject with other data processing agents whenever necessary for the purposes described in this term, in compliance with the principles and guarantees established by Law 13.709/2018.

Data Security

The Controller is responsible for implementing technical and administrative security measures capable of protecting personal data against unauthorized access and accidental or unlawful destruction, loss, alteration, communication, or any form of improper or unlawful processing. Pursuant to Art. 48 of Law 13.709/2018, the Controller shall notify the Data Subject and the National Data Protection Authority (ANPD) of any security incident that may pose relevant risk or damage to the Data Subject.

Rights of the Data Subject

Pursuant to Art. 18 of Law 13.709/2018, the Data Subject has the right to obtain from the Controller, at any time and upon request:

I - confirmation of the existence of data processing;

II - access to the data;

III - correction of incomplete, inaccurate, or outdated data;

IV - anonymization, blocking, or deletion of unnecessary, excessive, or unlawfully processed data;

V - portability of the data to another service or product provider, upon express request and in accordance with regulations issued by the national authority, subject to commercial and industrial secrecy;

VI - deletion of personal data processed with the consent of the Data Subject, except in the situations provided for in Art. 16 of the aforementioned Law;

VII - information regarding public and private entities with which the Controller has shared data;

VIII - information regarding the possibility of refusing consent and the consequences of such refusal;

IX - revocation of consent pursuant to §5 of Art. 8 of Law 13.709/2018.

ANNEX IX

DECLARATION OF ACKNOWLEDGMENT OF THE PROVISIONS OF THE CALL FOR APPLICATIONS AND VACANCY ALLOCATION RULES

I, [CANDIDATE'S NAME], registered in the selection process/public competition governed by General Public Notice No. [INSERT NUMBER] and Opening Public Notice No. [INSERT NUMBER], hereby declare that I have read, understood, and am fully aware of the provisions related to the allocation of reserved vacancies, as established in the aforementioned notices.

I further declare that I am aware of and agree with the following terms:

1. After publication of the Final Result of each Opening Public Notice linked to this General Public Notice, three (3) lists of approved candidates shall be approved, grouping all vacancies according to the competition modalities: **Broad Competition List (LAC); Reserved Vacancies List for Self-Declared Black, Indigenous, and/or Quilombola Candidates (LPN); Reserved Vacancies List for Persons with Disabilities (LPD)**, considering the total number of vacancies offered in this General Public Notice.
2. The approval of the final result shall occur through the three aforementioned lists, grouping all vacancies offered in the Public Notice.
3. I understand that all approved and classified candidates shall be reclassified within the broad competition and/or reserved-vacancy lists according to the selected competition modality, considering the arithmetic mean of the final scores to ensure compliance with the legally established vacancy reservation policy.
4. I acknowledge that approval in the Opening Public Notice does not guarantee immediate appointment to the vacancy, as reclassification within the LAC, LPN, and LPD lists shall occur.
5. **I agree that appointments to vacancies reserved under affirmative action policies must occur preferentially within the number of vacancies established in the Call for Applications before continuing appointments from the Broad Competition List.**
6. In the event of appointment of additional candidates due to the creation of new vacancies reaching the minimum reservation percentage referred to in item 2.6, the order of vacancy allocation shall comply with Annex I of [Resolution nº 60/2025 of the University Council of UNIFAL-MG](#), except in cases of vacancy resulting from termination or resignation in a reserved position, in which case a candidate opting for the reserved-vacancy system shall be summoned according to ranking order.
7. I acknowledge that no appeal shall be permitted regarding the application of the vacancy distribution rules by area or the reserved-vacancy system, which follow objective and mandatory criteria established in the Public Notice.

Finally, I declare that I agree with and confirm my acknowledgment of all provisions related to reserved vacancies described in this document and in the General Public Notice, and that this declaration shall constitute an integral part of the application process.
